CAREER OBJECTIVE

Aspiring Software Developer with solid DSA knowledge and hands-on MERN stack experience. Passionate about building scalable web apps and solving real-world problems with clean, efficient code.

EDUCATION

- **BTech CSE (IoT)** | Kakatiya Institute of Technology and Science | **CGPA-9.5** | 2022-2026
- **HSC(12th)** | SR Prime College | **Percentage: 99** | 2020-2022
- **SSC (10th)** | Sharada High School | **Percentage: 95** | 2020

SKILLS

- **Programming Languages:** C, Java
- **Frameworks & Libraries:** React, Express
- **Web Development:** RESTful APIs, JWT Authentication
- **Databases:** MySQL, MongoDB
- **Tools & Environments:** Git, GitHub, VS Code, Eclipse, MySQL Workbench, Postman
- **Other Skills:** Problem Solving, Teamwork, Time Management

PROJECTS

Portfolio Tracker

- Stock & Crypto Tracker: Real-time portfolio tracking with analytics and charts.
- **Tech Stack:** MERN, Bootstrap, JWT, third-party APIs.

InterioFlow – Interior Designing Client Management System

- InterioFlow: A role-based interior design management system for clients, designers, and vendors, featuring project tracking, payments, and secure authentication.
- **Tech Stack:** Spring Boot, React, JWT, Payment Integration.

Smart surveillance system

- Built a motion-based surveillance system using Raspberry Pi and OpenCV that captures images and sends alerts via Telegram and Twilio when a human face is detected.

WORK EXPERIENCE

Full Stack Intern -Innovate Intern

June 2024 -Sept 2024

Project: Vehicle Service Management System

a full-stack web app for vehicle service management with booking, reminders, and service history tracking. Built with MongoDB, Node.js, Express, and EJS, featuring secure authentication and efficient data handling.

Backend Intern – CourseVita

June 2025 -Ongoing

Project: Book Your Nearest Videographer

Currently building backend APIs and managing database integration for a videographer booking platform.

CERTIFICATIONS | ACHIEVEMENTS

- CISCO | Introduction to Cyber Security
- CISCO | Introduction to Packet Tracer
- HP LIFE | AI for Beginners
- Privacy-Preserving Loan Approval System – **Winner, NITW Hackathon**
